MEDICATIONS

To be completed by Health Care Provider

Diagnosis	ICD Code	Medication Name	Dose	Route	Time	Self Directed*	Self Admin/ Self Carry**

***Self Directed:** I assess this student is self-directed regarding their medication. They understand the purpose, name, amount, dose, timing and effect of taking or not taking the medication, can recognize the medication and refuse to take it inappropriately, and can ingest, inhale, apply or calculate and administer the correct dose of the medication independently

****Self Admin/Self-Carry:** I have determined this student is consistent and responsible in taking their own medication (self-directed), and in addition, give them permission to self-carry and self-administer this medication. They will be considered independent in medication delivery and need intervention only during emergencies.

To be completed by Parent/Guardian if medication is prescribed

☐ I give permission for the above medication to be administered to my child as ordered by my health care provider. I will furnish the medication in the original pharmacy container, properly labeled with directions and dosage, or original over-the-counter medication container/package with my child's name on it.

Parent/Guardian Signature: Date: Phone: ( )

☐ Parent permission & provider consent is required for students to self-administer & self-carry medication. Students with this designation are considered independent in taking their medication at school and require no supervision by the nurse. Parents assume responsibility for ensuring that their child is carrying and taking their medication as ordered. Schools may revoke the self-carry/self-administer privilege if the student proves to be irresponsible or incapable. To request this option please sign below.
