In addition to providing short-term counseling in the school, we can connect students and families with resources and services in the community. For more information, contact Mrs. Martin, Mr. Harden, or Miss Curtin.
- **Did you know? The Guidance Office has a number of resources for all grade levels available on the Guidance page of the SCC website. Scroll to the bottom for resources particular to each grade level.** <http://setoncchs.com/guidance/>
- On Monday, December 12, juniors who took the PSAT/NMSQT in October will be able to view their scores through the CollegeBoard.com website. Students who already have an account on CollegeBoard should simply log into their account. Students who have not yet created an account should do so. Students who experience difficulty accessing their scores should come to the Guidance Office.
- Peer Tutoring: High School students who are interested in becoming a peer tutor can sign up in the Guidance office. Peer tutors work with students during a mutual study hall period about once day per cycle. After-school tutors will be paid.
