

Seton Catholic Central School

November 20th Newsletter

November is flying by and the last full week before Thanksgiving Break. The Seton Mathletes team went to their second match this week. They won both the first and second matches. This is a competition among nine local high schools. Seton is in first place with 36 points, and runner-up Vestal has 25 points. There are three more local competitions. The Saints are doing a tremendous job!

It gives me great pleasure to acknowledge that **Mr. Hyland** has been selected as a recipient of the 2015 Rose Kelly Award along with **Shayne Wierbowski**, his former student. This award recognizes Mr. Hyland's teaching excellence during his teaching tenure at **Seton Catholic Central High School**.

The Rose Kelly Award was established by a University of Scranton alumnus, Joseph Wineburgh, Ph.D., to link the efforts of elementary and secondary school teachers to the achievements of college students. Dr. Wineburgh established the program to honor an elementary teacher, Rose I. Kelly, who greatly influenced his life. Each year, a committee from each college selects an outstanding student. The student winners of the Rose I. Kelly Award are asked to name a high school or elementary teacher who most influenced their pre-college preparation.

On behalf of the SCC community, I would like to wish you all a safe and Happy Thanksgiving.

It's a proud day to be a Saint!
