- Every year the Southern Tier Antique Club plants potatoes for the Food Bank of the Southern Tier. Although we have a lot of members that like to use their antique tractors to plow, plant and dig potatoes, we need help getting potatoes off the ground. This year, as in the past, we have been blessed to have students from Seton Catholic give up their Saturday morning to help. In total, we had 245 volunteers assist in the gathering of more than 20 tons of potatoes. We are very appreciative of the help of your students and they should be proud of their contribution to help the Food Bank.
