- I'm very happy to be a part of the Seton Catholic Central teaching family. Having been in the Catholic School System for the past 9 years, I am familiar with our students and the potential they demonstrate. It brings me great joy to be able to work with the Seventh and Eighth graders and help them develop into strong writers and readers. I look forward to experiencing what this year has to offer, and I look forward to many rewarding years here at Seton Catholic Central. Mr. Jablonowski

- Peer Tutoring: High School students who are interested in becoming a peer tutor can sign up in the Guidance office. Peer tutors work with students during a mutual study hall period about once day per cycle. After-school tutors will be paid.
