

WHY DON'T YOU ORDER SCRIP?

If you already do, you don't need to read any further. You already get it! You're reaping the benefits! Maybe you could give this flyer to a friend who has yet to catch the Scrip bug. Word of mouth is our best advertiser!

If you don't or only order at Christmas, please take a few seconds to answer these next 5 easy questions!

- Would you like a reduced tuition payment?
- Do you frequent local grocery stores and/or drug stores on a regular basis?
- Do you go out to eat casually at least once a month?
- Do you or your children ever go to a movie?
- If someone handed you money to put toward your tuition, would you take it?

If you answered "YES!" to at least three of these questions and you don't already participate in the Scrip program, **WHAT ARE YOU WAITING FOR!?!?!?!?**

SCRIP CHALLENGE!

This month, I challenge you to place a scrip order! It's SO easy!

1. Find the form on the school website or through your school pouch.
2. Pick your favorites and most frequent. Only order what you will use for the places you go regularly!
3. Write the check.
4. Send to school.

After that, we do all the work for you! Although they are called "gift" cards; think of them as "use everyday" cards. You get dollar for dollar what you spend! But each retailer gives the school a discount on the purchase of these cards, and we give the savings back to you toward your next year's tuition payment! It doesn't get much easier! Buy your daily Starbucks coffee with a gift card instead of cash and we give you 70 cents for every \$10 card you buy! If you love your coffee, you know that will add up over a school year!

Your friends who "get it" have been saving hundreds of dollars off their tuition year after year after year!

And it's easy to get your friends and family involved because you are asking them to buy something they will use; not selling them over-priced candy our waistlines can do without.

TEACHERS:

WOULD YOU LIKE MONEY FOR YOUR CLASSROOM?

Scrip can help you, too! If you order Scrip, at the end of the year, we will give you back the money you earned for classroom supplies! Or you may apply it to a student's tuition. It is your choice.
